About Me

I am Parkavi A , hailing from the picturesque town of Vakkur. Currently, I am in the final year of my Bachelor of Science (BSc) program in Computer Science at Aringar Anna Government Arts College in Villupuram. Academic Pursuits: Major: Computer Science Passions and Ambitions: My passion lies in the world of books; I'm an avid reader who finds inspiration in the written word. Furthermore, I'm deeply committed to forging a career as a data scientist, where I can harness the power of data to drive insights and innovation.
